

Education

College Colegio Israelita de Mexico (1974-1977)
Major Chemico-Biological Science

Medical School Universidad Nacional Autonoma de Mexico (1978-1984)
Degree Obtained: Medico Cirujano (M.D.)
Pre-Graduate Internship
Hospital General de Mexico. January-December 1983
Mexico City, Mexico

Social Service Centro de Salud Mexico-Espana. January-December 1984
Mexico City, Mexico

Externship Internal Medicine. Mount Sinai Medical Center Milwaukee
Clinical Campus, University of Wisconsin
April-November 1985

Internship/
Residency/
Chief Residency PGY I-III, Internal Medicine. Mount Sinai Medical Center
Milwaukee Clinical Campus, University of Wisconsin
January 1986-December 1988
Chief Medical Resident
Mount Sinai Medical Center Milwaukee Clinical Campus,
University of Wisconsin
January-June 1989

Fellowship Department of Gastroenterology,
University of Texas at Houston.
Research fellow July 1989-June 1990
Clinical Fellow July 1990-June 1992

 Advanced Therapeutic Endoscopy
The Wellesley Hospital, Toronto, Canada
Fellow July 1992-Aug. 1993

Board Certification

American Board of Internal Medicine, Sept. 13, 1989, Number 125737
American Board of Gastroenterology, Nov. 5, 1991, Number 125737
American Board of Gastroenterology, Nov 7, 2001, Number 125737
American Board of Gastroenterology, Nov 14, 2011, Number 125737

Medical Licensure

FLEX, December 1986, Wisconsin
Texas License: H7210
DEA: BRO917318

DPS No.: H0073818
Mexico, License Number 1021206

Certification

ECFMG February 1986, Number 389-039-9
FMGEMS 1985

Honors and Awards

Senior Resident Award for Excellence in Clinical
Education, Mount Sinai Medical Center, 1987

Outstanding Senior Assistant Resident
Mount Sinai Medical Center, 1986-1987

Best Medical Student of the Year 1980, 1981, 1982
National Autonomous University of Mexico

Best Doctors in America 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004,
2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012

Who is Who, International 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005,
2006, 2007, 2008, 2009, 2010, 2011, 2012

Who is Who in America 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004,
2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012

Who is Who in Medicine and Healthcare 2000, 2001, 2002, 2003, 2004, 2005, 2006,
2007, 2008, 2009, 2010, 2011, 2012

Who is Who in Sciences and Engineering 1996, 1997, 1998, 1999, 2000, 2001, 2002,
2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012

Who is Who in the South West 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004,
2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012

Excellence in Teaching Award, Baylor College of Medicine, 2010

Inducted Fellow American College of Physicians, April 2002

Fellow, American College of Physicians

Fellow, American Gastroenterology Association

Institutional, Departmental, and Divisional Administrative Responsibilities
Committee
Memberships, and Other Activities

Chief Medical Resident, Mount Sinai Hospital, 1989, Milwaukee
Biliary Pancreatic Advisory Panel, BARD
Midwest Study Group for Pancreato-biliary Diseases
Tumor Pancreatic Study Group, MD Anderson Cancer Center, Houston
Pancreatic Diseases Study Group, University of Texas Health Science Center, Houston
Cancer Committee, St Luke's Hospital, Houston
Chairman, Sub-Committee Gastrointestinal Endoscopy, Memorial Hermann Hospital, Houston
Endoscopic Laboratory Advisory Committee, St Luke's Hospital, Houston
Credentials Committee, Hermann Hospital, Houston
Bilio-pancreatic Study Group, Hermann Hospital, University of Texas Health Science Center
Advisory Committee, Alveolus Medical Group
Advisory Committee, Byrne Medical
Internal Medicine Service Executive Committee, St Luke's Hospital, Houston, TX
Elkins Pancreatic Research Center, Baylor College of Medicine, Houston, TX
Pancreatic Cyst Registry, Scientific Advisory Board, RedPath
Speaker Bureau, Novartis Pharmaceuticals
Speaker Bureau, Boston Scientific Corporation
Speaker Bureau, Takeda Pharmaceuticals
Co-Chief, Section of Gastroenterology, St. Luke's Episcopal Hospital, Houston, TX
Member, International Section Committee, American Society of Gastrointestinal Endoscopy

Professional and Society Memberships and Appointments

Hospital Appointments

Memorial Hermann Hospital, Houston, TX, active staff since 10/90
St. Luke's Episcopal Hospital, Houston, TX, active staff since 5/94
Park Plaza Hospital, active staff since 7/95, courtesy since 1/02, canceled 7/03
University General Hospital, Houston, TX, courtesy staff
The Methodist Hospital, Houston, TX, active staff since 1/96
Provider, Kelsey-Seybold Clinic, active since 1/98
The Dubuis Hospital for Continuing Care, 6/98-2006
Texas Children's Hospital, courtesy since 4/01
Member, International Section Committee, American Society of Gastrointestinal Endoscopy
Member, Endoscopy and Gastroenterology Society of Venezuela

Professional Organizations

International Association of Pancreatology
American Society of Gastrointestinal Endoscopy
American Gastroenterological Association
Houston Gastroenterological Association
American College of Gastroenterology
American Society of Internal Medicine
Texas Society of Internal Medicine
Harris County Medical Society
Texas Society of Gastrointestinal Endoscopy
Southern Medical Association
American Society for the Advances of Sciences
Asociacion Mexicana de Endoscopia
Asociacion Venezolana de Endoscopia Gastrointestinal
Asociacion Venezolana de Gastroenterologia

Reviewer

Gastrointestinal Endoscopy
Endoscopy
Gastroenterology
American Journal of Gastroenterology
Journal of Clinical Gastroenterology
Journal of Critical Illnesses
Revista de Endoscopia (Mexico)

Editorial Board

Hepatitis magazine
Endoscopia (Mexico)

Extracurricular Activities

Painting, sculpting, sports.

Painting Exhibits:

University Center for Mexican-Israeli cultural exchange, Mexico City, 1982
Brit-Shalom Community Center, Houston, 1992
Institute of Hispanic Culture, Houston, TX, 2006
Solo Exhibit, Restaurant Maria Selma, Houston, TX. 2006
Solo Exhibit, Hotel Zaza, Houston, TX, 2008
Solo Exhibit, Zeus and Zeuk, Houston, TX 2008
Solo Exhibit, M Gallery, Houston, TX 2008
Solo Exhibit, Circulo Completo Gallery, Houston, TX 2008
Solo Exhibit, House of Blues, Houston, TX 2009
Group Exhibit, H Gallery, Houston, TX 2009
Solo Exhibit, H Gallery, Houston, TX 2009
Solo Exhibit, Hotel Zaza, Houston, TX, 2010
Solo Exhibit, Hotel Zaza, Houston, TX, 2011

Interviews

Precise PEG placement in jejunum possible using new technique. Gastroenterology and Endoscopy News, Nov. 1991

Duodenal spread of gastric carcinoma. Miami, Fl October 1992

Gastroenterology Observer Duodenal spread of gastric carcinoma. Miami, Fl October 1992

ACG News. Pancreatic and biliary stents. Gastroenterology & Endoscopy News, Sept. 1994

Houston Chronicle. Irritable bowel syndrome. October 2000

Television Broadcast, CBS channel 2. Endoscopic antireflux therapy. Houston, March 2001

Television Broadcast, CBS channel 2. Constipation. Houston, March 2001

Houston chronicle. Irritable Bowel Syndrome. Houston, February 2001

Caracas Newspaper. GERD. Caracas, September 2001

Multiple short interviews for Radio station KTRH, Houston

Endoluminal Gastroplication, Debra Duncan Show, TV Broadcast, Channel 13, March 2002

Therapeutic Endoscopy overview, Merida, Mexico, 2007

Television Broadcast, CBS channel 2, Medicine and Art, 2010

Languages

Spanish, English, Hebrew, Yiddish

Course Chairman and Faculty

Invited Professor for Live Video Presentations

First Advanced Closed Circuit Endoscopy in Houston, Nov. 11-12, 1995

Second Advanced Closed Circuit Endoscopy in Houston, Nov. 1-2, 1996

Third Advanced Closed Circuit Endoscopy in Houston, Nov. 14-15, 1997

Fourth Advanced Closed Circuit Endoscopy in Houston, Nov 13-14, 1998

A Practical Approach to Gastrointestinal, Pancreato biliary and Hepatic Diseases, Maui, Feb 6-9, 2000

First training course for International physicians for ELGP. Houston, December 2001

Second training course for International physicians for ELGP. Houston, March 2002

Third training course for International physicians for ELGP. Houston, June 2002

Fourth training course for International physicians for ELGP. Houston, September 2002

Southwestern Hospital. Lectures in Therapeutic ERCP. Dallas, TX Mar 1996

The Thirteen course in Advanced Therapeutic Endoscopy, The Wellesley Hospital, Toronto, Canada Oct 2000

Fourth Annual Endosonography and Therapeutic Endoscopy Meeting, Caracas, Venezuela, Mar 2001

10th Congress of Therapeutic Endoscopy. Sao Paulo, Brazil, 2001

La Sociedad de Gastroenterologia de Jalisco, Colegio Medico, A.C. Guadalajara, Jalisco, Sept 2001

Advances in Therapeutic Endoscopy for the New Millenium, Caracas, Venezuela, Jan 2002

Advances and Controversies in Gastroenterology and Endo-laparoscopic Surgery. Guadalajara, Mexico, Mar 2002

Biannual meeting of the Society of Gastroenterology and Endoscopy, Buenos Aires, Argentina, July 2002

Fifth Live International Therapeutic Endoscopy Course and 4th Latin American Symposium on Endosonography, Mexico City, Mexico, July 2002

XIX Congress of Central America and Panama on Gastroenterology, Hepatology and Digestive Endoscopy. Guatemala City, Guatemala, November 2002

VII Congress, Therapeutic Endoscopy, Gastroenterology and Hepatology. Bogota, Colombia, January 2003

National Congress, Therapeutic Endoscopy and Gastroenterology. Santiago de Chile, Chile, April 2003

Advances in Therapeutic Endoscopy, Caracas, Venezuela, Jan 2003

XXXI Mexican Congress, Therapeutic Endoscopy and Gastroenterology.
Guadalajara, Mexico, September 2003

VIII Annual Gastroenterology and Endoscopy Symposium. Bogota, Colombia,
January 2004

13th Mexican Congress of Endoscopic Surgery. Mexico City, Mexico, February
2004

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2004

Hands-on Endoscopic Series: Advanced Endoscopic Retrograde Cholangio-
Pancreatography. American Society of Gastrointestinal Endoscopy, Cincinnati, March
2004

XXXII Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Mexico
City, Mexico, September 2004

XXXIII Mexican Congress, Therapeutic Endoscopy and Gastroenterology.
Cancun, Mexico, September 2005

Advances in Therapeutic Endoscopy, Barquisimeto, Venezuela, 2005

XXXIV Mexican Congress, Therapeutic Endoscopy and Gastroenterology.
Cancun, Mexico, 2005

Hands-on Endoscopic Series: IIT Center. Chicago. American Society of
Gastrointestinal Endoscopy, Cincinnati, April 2006

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2006

IX Annual Gastroenterology and Endoscopy Symposium. Bogota, Colombia,
January 2006

XXXV Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Mexico
City, Mexico, 2006

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2007

First Symposium, Gastrointestinal Endoscopy, Punto Fijo, Venezuela, 2008

XXXII Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Mexico
City, Mexico, 2007

International Congress of Laparoscopy and bariatric surgery, Puerto Vallarta, Mexico, 2008

XXXIV Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Mexico City, Mexico, 2009

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2008

X Annual Gastroenterology and Endoscopy Symposium. Bogota, Colombia, January 2008

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2009

Update in Therapeutic Endoscopy, Medellin, Colombia, 2009

Spyglass training, Houston, 2009-to date, several times a year

Texas Society of Gastrointestinal Endoscopy, 2009

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2009

XXXV Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Mexico City, Mexico, 2010

XII Annual Gastroenterology and Endoscopy Symposium. Bogota, Colombia, January 2010

Advances in Therapeutic Endoscopy, Caracas, Venezuela, 2010

Texas Society of Gastrointestinal Endoscopy, September 2011

Spyglass training, Mexico City, January 2011

Spyglass training, Bogota, 2011

Spyglass training, Bogota, 2012

RFA Experts roundtable, Dallas, TX, 2012

Presentations

Posters

Therapeutic Use of Dypiridamole: Objectivity and Practice. Philadelphia, PA, May 1987

Hormonal and pharmacologic regulation of sodium absorption in rabbit cecum in vitro. American Gastroenterological Association. San Antonio, TX. May 1990

Percutaneous Endoscopic Gastrostomy (PEG) with Jejunal extension: a new technique. American College of Gastroenterology. Boston, MA. Oct. 1991

New technique for combined percutaneous endoscopic gastrostomy and jejunostomy. SAGES, Washington, DC 1992

Biliary leak after laparoscopic cholecystectomy. American College of Gastroenterology. Miami, FL Oct. 1992

Malignant rectal stricture is predictive of tumor stage: Use of endoscopic ultrasonography. American College of Gastroenterology. Miami, R. Oct. 1992

Endoscopic treatment of biliary leak after laparoscopic cholecystectomy. North American Conference of Gastroenterology Fellows. Tampa, FL 1993

De novo formation of pancreatic ductal stones as a complication of pancreatic stents. DDW, Boston, 1993

Efficacy and safety of needle knife-stent sphincterotomy in patients with Billroth II anastomosis. DDW, Boston 1993

Long-term follow-up of endoscopic stenting for benign postoperative bile duct strictures. DDW, Boston 1993

Expandable esophageal stents: Initial experience with nitinol stents. American College of Gastroenterology, New York, 1993

The use of contrast injection to identify tumor margins during expandable esophageal stent placement. American College of Gastroenterology, New York, 1993

Use of expandable stent in the treatment of malignant rectal stricture. American College of Gastroenterology, New York, 1993

Follow-up of patients treated with biliary stents for unextractable bile duct stones. DDW, New Orleans 1994 Endoscopic papillectomy: preliminary data. DDW, New Orleans 1994

Pancreatic stents (PS) in the management of benign pancreatic disorders. DDW, New Orleans 1994

Short-term follow-up of patients with de-novo stones of the pancreas after pancreatic stenting (PS). American College of Gastroenterology, San Francisco, 1994

Endoscopic resection of the papilla of Vater: preliminary data. American College of Gastroenterology, San Francisco, 1994

Biliary stents as definitive treatment of unextractable bile duct stones: mid-term follow-up. American College of Gastroenterology, San Francisco, 1994

Management of benign pancreatic disorders with pancreatic endoprosthesis. American Pancreatic Association, Chicago 1994. Incidence of complications after insertion of pancreatic endoprosthesis (PS). American Pancreatic Association, Chicago 1994

Molecular diagnosis of cancer of the exocrine pancreas. International Association of Pancreatology, Chicago 1994

The spectrum of gastritis in Zambian patients with the acquired immunodeficiency syndrome. International Association of Pathology, Toronto, March 1995

Coated expandable esophageal stents (CEES) in the treatment of malignant dysphagia. American College of Gastroenterology, New York, 1995

Endoscopic palliation of malignant obstruction with expandable esophageal stents (EES). DDW, New Orleans 1994

Preliminary results of a prospective randomized trial of histoacryl Vs endoscopic band ligation (EBL) for acute esophago-gastric variceal hemorrhage. DDW, New Orleans 1994

Management of digestive-respiratory fistulae (DRF) with coated expandable esophageal stents (cEES). DDW, San Francisco 1996

Does chemoradiation therapy (ChXRT) increase the incidence of complications after self-expanding-coated stents (cEES) in the management of malignant esophageal strictures? DDW, San Francisco 1996

The overall complication rate after esophageal Wallstent is related to the esophageal location of the lesion. DDW, Washington, DC 1997

Palliation of malignant dysphagia and fistulae with the Wallstent: Experience with 101 patients. DDW, Washington, DC 1997

Palliation of malignant dysphagia with chemoradiation therapy (ChXRT) does not increase the rate of serious complications with coated Wallstent. DDW, Washington, DC 1997

Tumor factors that may affect the outcome after palliation with the esophageal Wallstent. DDW, Washington, DC 1997

Management of malignant colorectal strictures with expandable endoprosthesis. DDW, Washington, DC 1997

Biliary ductal changes after plastic stents for malignant strictures. DDW, Washington, DC 1997

Endoscopic snare ampullectomy for resection of benign ampullary neoplasms. DDW, Washington, DC 1997

Endoscopic management of biliary tract cancer with the Wallstent: Experience in 121 patients. DDW, Washington, DC 1997

Pancreatic ductal (PD) stones in patients with pancreas divisum: Success of removal and symptomatic improvement: Multicenter study. DDW, Washington, DC 1997

The role of ERCP in patients presenting with clinical disorders following pancreatico-jejunostomy (PJ): Presentation findings and outcome of endoscopic therapy. DDW, Washington, DC 1997

A prospective randomized trial of Cyanoacrylate (CYA) Vs endoscopic variceal ligation (EVL) for acute esophagogastric variceal hemorrhage DDW, Washington, DC 1997

Palliation of malignant gastric outlet and duodenal obstruction using expandable metallic stents. DDW, New Orleans 1998

Palliation of malignant colorectal strictures with expandable metallic stents: Experience with 20 patients. DDW, New Orleans 1998

Does the response to plastic stent (PS) predict that of Wallstent (WS) in the treatment of malignant biliary obstruction (MBO)? DDW, New Orleans 1998

Pattern of GI metastases from extra gastrointestinal sites. DDW, New Orleans 1998

The role of choledochoscopy in the diagnosis and management of biliary disease: Experience in 55 patients. DDW, New Orleans 1998

Endoscopic drainage of infected pancreatic pseudocysts in the absence of necrosis. DDW, New Orleans 1998

Palliative endoscopic therapy in patients with pancreatic cancer and obstruction of the pancreatic duct using pancreatic stenting. DDW, New Orleans 1998

Evaluation of metastatic celiac axis lymph nodes in patients with esophageal carcinoma (ECA: Accuracy of endoscopic ultrasound). DDW, New Orleans 1998

The use of multiple stents (ms) in the management of liver transplantation-related biliary stricture (lts): long-term follow-up. DDW, Atlanta 2001

Indications and outcome of ERCP in the management of liver transplantation-related biliary tract disease: experience in 73 patients. DDW, Atlanta 2001

The use of the “layer-lifting” technique in infiltrative gastric disorders. DDW, Atlanta 2001

Management of tracheoesophageal fistulas (tef) via endoscopic suturing: report of 3 cases. DDW, Atlanta 2001

A prospective multicenter study of a bio-absorbable biliary Wallstent (BAS) in 50 patients with malignant obstructive jaundice (MOJ). DDW, Atlanta, 2001

One Year follow-up of endoluminal gastroplication: Economic and clinical outcomes of the US multicenter trial. World Congress of Gastroenterology, Bangkok, February 2002

Helical endoluminal gastroplication (ELGP) compared to standard ELGP in patients with gastroesophageal reflux disease (GERD). DDW, San Francisco, 2002

Helical endoluminal gastroplication: assessment of esophageal function. DDW, San Francisco, 2002

Endoluminal Gastroplication is effective in controlling GERD symptoms in patients with large hiatal hernias. DDW, San Francisco, 2002

Xifaxan in the management of gastrointestinal functional diseases, ACG, Philadelphia, 2007

Spyglass in the management of Pancreato biliary diseases, DDW, San Diego, CA, 2008

Comparison of a new mini-endoscope to standard choledochoscopy. American Society of Gastrointestinal Endoscopy Annual Meeting, San Diego, CA; May 2008

Experience with a new choledochoscope in the management of difficult bile duct stones. American Society of Gastrointestinal Endoscopy Annual Meeting, San Diego, CA; May 2008.

Spyglass: Experience with a new mini-endoscope in biliopancreatic disease. American Society of Gastrointestinal Endoscopy Annual Meeting, San Diego, CA; May 2008

Percutaneous use of Spyglass in the management of biliary diseases, DDW, San Diego, CA, 2008

Pancreatic stent use during ERCP in pediatric patients. NASPGHAN Annual Meeting 2008

Endoscopic retrograde cholangiopancreatography is an effective alternative to surgery for diagnosis and management of biliary rhabdomyosarcoma. NASPGHAN Annual Meeting 2008

Holmium-YAG laser lithotripsy in the treatment of difficult biliary stones utilizing peroral single operator cholangioscopy (SPYGLASS): DDW, 2009

Clinical value of plasma hepatocyte growth factor measurement for the diagnosis of periampullary Cancer and prognosis after pancreatoduodenectomy. DDW, 2009

Use of Fully Covered Self-expanding Metal Stents (FCSEMS) in the Management of Benign Biliary Diseases (BBD). DDW 2010

Holmium-YAG laser lithotripsy in the treatment of pancreatobiliary calculi utilizing peroral single operator cholangioscopy (Spyglass): An update on a multicenter experience. DDW 2010

Evaluation of fully covered self-expanding metal stent in malignant biliary obstruction: A multi-center Study. Gastrointest Endosc DDW 2010

Oral Presentations

Purpura fulminans. Medical Grand Rounds. Mount Sinai Hospital. Milwaukee, WI. 1988

Acute hemorrhagic cholecystitis in lupus erythematosus. Scientific day, Mount Sinai Hospital. Milwaukee, WI 1988

Histamine Antagonists. Medical Conference. Mount Sinai Hospital. Milwaukee, WI 1988

Gastric amyloidosis and lymphoma. Houston Gastroenterological Society. Houston, TX 1991

Exocrine pancreatic function. University of Texas Health Science Center. Houston, TX 1991

Absorption of vitamins and minerals. University of Texas Health Science Center. Houston, TX 1991

Peptic ulcer disease and Cytoprotection. San Jacinto Hospital, General Medicine Grand Rounds 1991

Gastric adenocarcinoma spread to duodenum. American College of Gastroenterology. Miami, FL Oct. 1992

Peptic ulcer disease. Maintenance therapy. Kelsey- Seybold Clinic, Clinical conference 1992

Endoscopic management of biliary complications after laparoscopic cholecystectomy. Medical Ground Rounds, Wellesley Hospital, Toronto, ON Jun. 1993

Expandable esophageal stents: initial experience with nitinol stents. Microvasive. DDW, Boston 1993

Endoscopic Management of Chronic pancreatitis. Inter-city Rounds. Toronto, ON Jan 1993

Management of Chronic Pancreatitis. Medical Ground Rounds, Wellesley Hospital, Toronto, ON Jan 1993
